REPLY TO THE ATTENTION OF:

Mr. Jeff Smith
Director
Industrial Division
Minnesota Pollution Control Agency
520 Lafayette Road
St. Paul, Minnesota 55155

Dear Mr. Smith:

On January 8, 2014, the U.S. Environmental Protection Agency received a part 71 minor permit modification application from NRG Reliability Solutions (NRG) requesting changes to operating permit V-PI-2704900084-2012-11 for Treasure Island Resort & Casino in Red Wing, Minnesota. This letter is intended to provide notice of this permit action in accordance with the notification requirements of 40 C.F.R. § 71.8(a).

In the application, NRG requests to modify recordkeeping requirements, add insignificant emission units omitted from past permit applications, and correct some typographical issues found within the permit. EPA will process the application and make a final decision according to the minor permit modification procedures found at 40 C.F.R. § 71.7(e)(1).

If you have any questions, please feel free to contact Michael Langman, of my staff, at (312) 886-6867.

Sincerely,

Genevieve Damico
Chief
Air Permits Section

Welch, Minnesota 55089

Dear Mr. Johnson:

On January 8, 2014, the U.S. Environmental Protection Agency received a part 71 minor permit modification application from NRG Reliability Solutions (NRG) requesting changes to operating permit V-PI-2704900084-2012-11 for Treasure Island Resort & Casino in Red Wing, Minnesota. This letter is intended to provide notice of this permit action in accordance with the notification requirements of 40 C.F.R. § 71.8(d).

In the application, NRG requests to modify recordkeeping requirements, add insignificant emission units omitted from past permit applications, and correct some typographical issues found within the permit. EPA will process the application and make a final decision according to the minor permit modification procedures found at 40 C.F.R. § 71.7(e)(1).

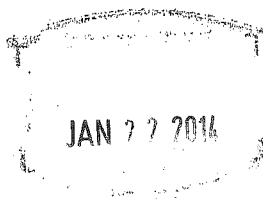

If you have any questions, please feel free to contact Michael Langman, of my staff, at (312) 886-6867.

Welch, Minnesota 55089

Dear Ms. Carlson:

On January 8, 2014, the U.S. Environmental Protection Agency received a part 71 minor permit modification application from NRG Reliability Solutions (NRG) requesting changes to operating permit V-PI-2704900084-2012-11 for Treasure Island Resort & Casino in Red Wing, Minnesota. This letter is intended to provide notice of this permit action in accordance with the notification requirements of 40 C.F.R. § 71.8(d).

In the application, NRG requests to modify recordkeeping requirements, add insignificant emission units omitted from past permit applications, and correct some typographical issues found within the permit. EPA will process the application and make a final decision according to the minor permit modification procedures found at 40 C.F.R. § 71.7(e)(1).

If you have any questions, please feel free to contact Michael Langman, of my staff, at (312) 886-6867.
